Runners take in the beauty of Outlet Park

Running for Michael- Competing at the Screaming Eagle Ultra Saturday, April 26, was Kyla Hunzinger of Cross Timbers. She said she was running in support of I Run For Michael, a promotion that pairs runners up with handicapped and ill children from all over the world. Hunzinger ran for six hours and had the third top distance of 26 miles.

The first ever Screaming Eagle Ultra Run/Walk was held Saturday, April 26, at the Outlet Park below the Pomme de Terre Dam.

Approximately 10 runners signed up to participate in one, three, and six hour races on the Running River Community Trail, beginning at 8 a.m. The event was sponsored by Elkton Baptist Church, with a majority of proceeds going to support the church. Five Elkton Baptist Church volunteers were on-hand to assist in any way they could, including Pastor Kent Parson, Bill Mendenhall, Shirley Reno, and Tim and Lily Brenner. Other sponsors included Pitts Homes, Sam Crawford Auction Service, Lucas Oil Speedway, Bank of Urbana, Hobos at the Lake, Pitts Realty, Ronnie Smith Lawn Service, Dollar General, Five Star Supermarket, TNT Quick Shop, and Linda Kallweit Insurance.

There was no set distance, as runners and walkers were encouraged to do as many miles as they could. Prizes and awards were presented.

Runners encountered a

light morning rain shower, but pressed on. Three-hour finisher Jim Griffin of Loma Linda sped through 20 miles, while Troy Thompson of Taylorsville, Utah ran 18.5 miles, and Margaret Westlake of Sedona, Ariz. finished six miles. Top distances covered were 33 miles by James Mercer of St. Louis, followed by 27 miles by Duane Grigg of Gainesville, and 26 miles by Kyla Hunzinger of Cross Timbers. Jerry Fry competed in the one hour event, finishing three miles.

"100% of the competing runners expressed that the course was great thanks to the maintenance of the Corps of Engineer," said Race Coordinator Teresa Smith. "I want to thank Elkton Baptist Church for volunteering and all the sponsors for making the Screaming Eagle Ultra a success."

Smith said she had coordinated 5K runs in the county before, and felt something a little bit longer was needed. She also said she hoped to encourage others to "make more use of the beautiful course we have here at the lake."
